DEAR ~~BOB~~ Bill:

THIS IS TO CONFIRM RECEIPT OF YOUR RECEPTION OF AM 1330, WEYZ IN DECEMBER OF 1989. I JUST RECEIVED YOUR LETTER THIS WEEK! MUST HAVE BEEN AN OVERSIGHT ON SOMEONE'S PART IN GETTING IT TO ME!

AT THE TIME OF YOUR RECEPTION, WEYZ WAS OPERATING AT 1200 WATTS NON-DIRECTIONAL. WE FOR MANY YEARS WERE LOCATED AT 1450 ON THE AM DIAL. IN THE SPRING OF 1989, WEYZ PURCHASED WRIE AT 1330. THE WRIE ANTENNA SYSTEM HAD BEEN NEGLECTED FOR MANY MANY YEARS AND IN THE SUMMER OF 1989, WEYZ BEGAN WORK ON THE GROUND SYSTEM ETC. WHICH MEANT WE HAD TO GO TO A NON-DIRECTIONAL SIGNAL..WHICH WE WERE OPERATING AT AT THE TIME YOU RECEIVED OUR SIGNAL IN JERSEY.

SINCE THEN, WE HAVE RETURNED TO OUR NORMAL OPERATING POWER OF 5000 WATTS DIRECTIONAL DAY AND NIGHT.

THANK YOU FOR TAKING THE TIME TO CONTACT US...AND SORRY OUR REPLY WAS SO DELAYED!!!

SINCERELY,

JOHN W. GALLAGHER
PROGRAM DIRECTOR
